Principal's Message

Looking back, the graduating students can remember the uneasiness of unfamiliar halls, of new subjects and of strange new faces. Some of you have been at H. A. Gray since early elementary days, and now you must leave, feeling a bit sad and nostalgic.

All the good and bad times will become part of your memories.

But you must all look to the future for new challenges and new horizons. You must continue to grow emotionally and intellectually.

The students of H. A. Gray have demonstrated their spirit and involvement by cheering on our school teams, through active participation in house leagues, school dances and special events such as winter carnival, March tea, Jesus Christ Super Star, ski trips and many more.

To the graduating students of H. A. Gray I wish them luck in their new ventures and hope that they will have faith in themselves to solve any problems.

Finally my best wishes to all for a very enjoyable summer vacation.

President's Message

It was a pleasure to be President of the Student Council this year. I learned a great deal and got a new name; "Pete the Pudding President ." I felt everyone did a very good job of helping organize activities, such as field trips. This year they were arranged by the students and they did an excellent job. The carnivals, field trips and the chocolate drives raised plenty of money. The teachers placed a great deal of trust in the students and I am pleased to say they handled this trust very well. I felt the participation was great. I would like to thank the teachers and the students, for they have made this a successful, and a very enjoyable year.

Peter Wunstorf,
Student Council.

Dear Dale,

This is the note Tracy gave Larry.

Dear Larry,

Everybody's been bothering me about you because of Nora but I told her to start something because I like you and I know you like me.

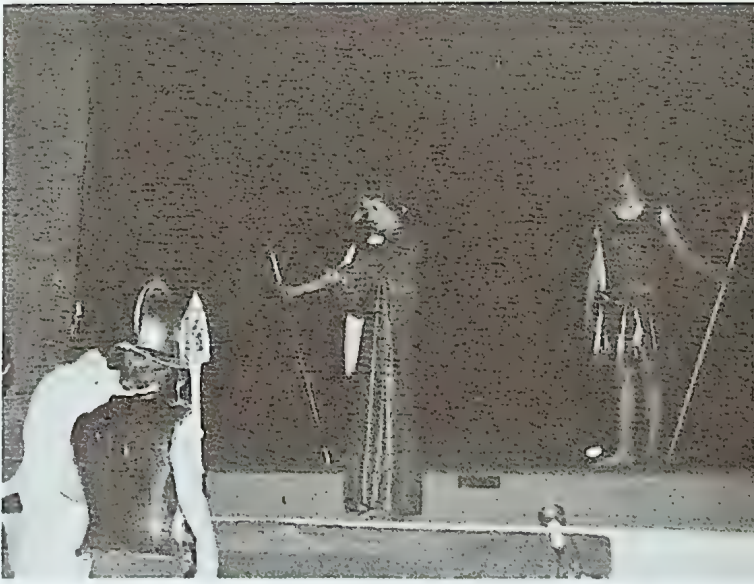

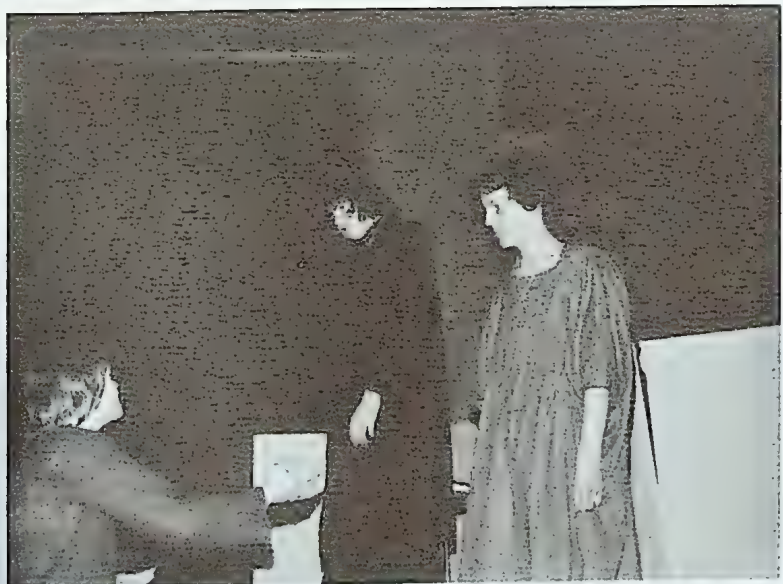

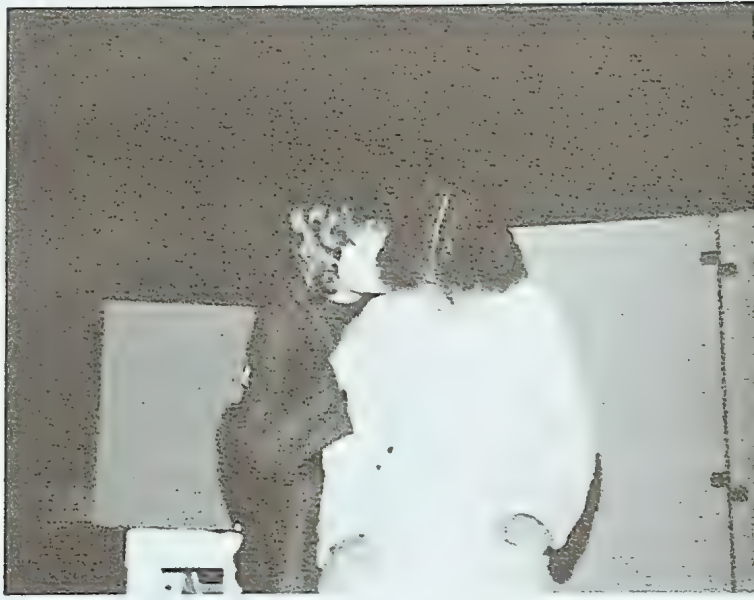

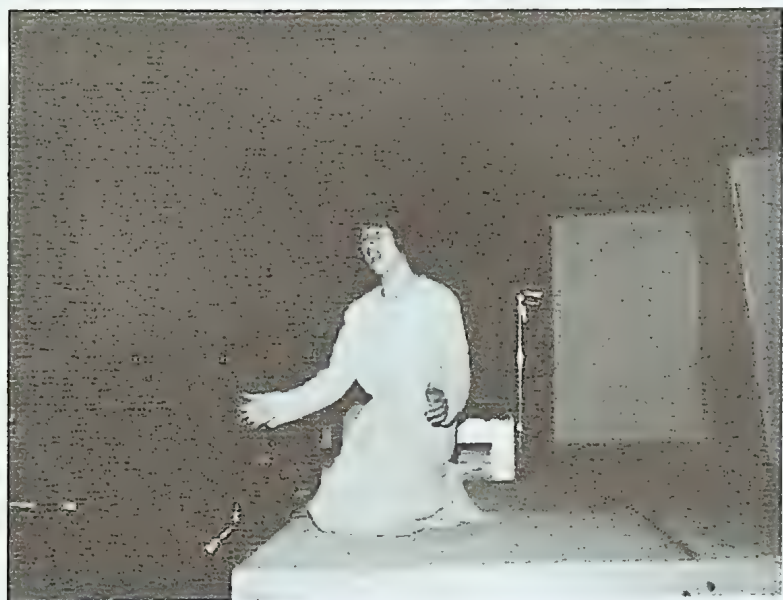

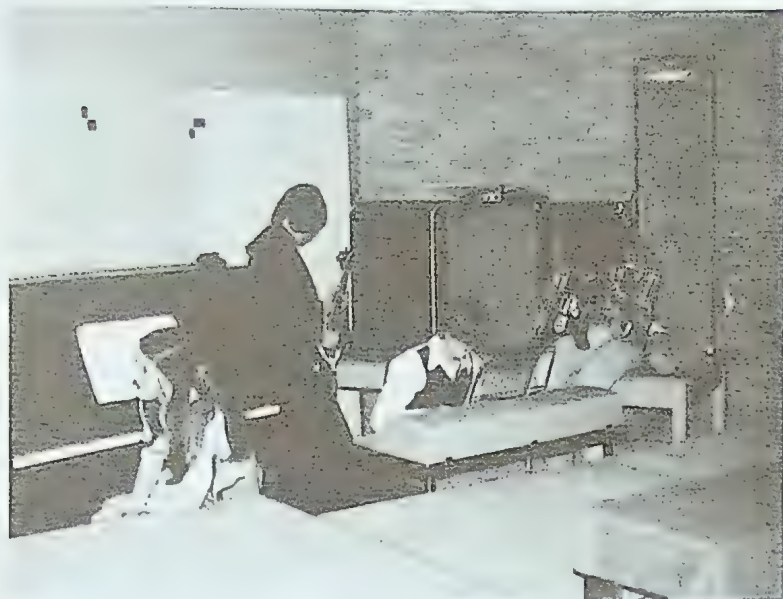

Please write back and tell me really what you think of me.

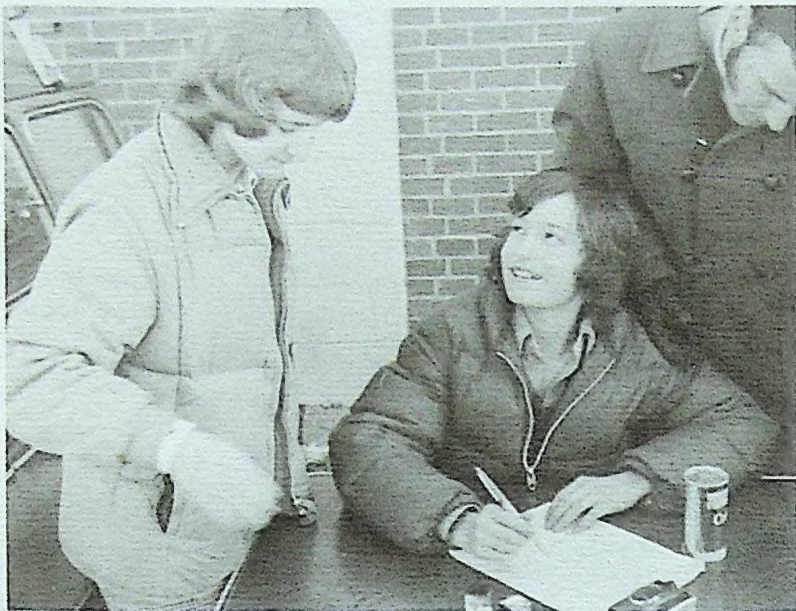

P. S. Don't show this to anybody or I'm afraid I'll change my feelings about you.

I hanks
Tracy Weyman.
